TRI-STAR CAT 55

CAT 55 is an elegant cruising catamaran, designed for the owner desiring a spacious, enjoyable sailing catamaran. The spaciousness of the bridge deck allows for numerous owner layouts. The owner accommodation plan shown has queen size staterooms each with their own shower and head and the owner stateroom has access to two bath rooms one with a tub and one with a shower. Owners stateroom may be two staterooms. **CAT 55** hull is 82" wide plus hull flare and a sole that is 54" wide giving ample room for optional accommodation plans. The mast station structural bulkhead may partition the bridge deck off forward or the bulkhead may be open allowing those sitting in the lounge area to have the same large view forward as they do when looking to port or starboard. **CAT 55** has two large cockpits an inboard cockpit with a large steering station and a seating area that may be set up for dining. The inboard cockpit may be enclosed with curtains for dockside lounging. Outboard cockpit for sailing. Lateral resistance for sailing is provided by low aspect ratio keels that give the hull a draft of 5'6". Keels may be replaced with dagger boards for a hull draft of 3'4". **CAT 55's** auxiliary power is provided by two Z drive inboard engines located in large engine rooms at the stern of each hull. **CAT 55**, a catamaran you will enjoy.
