

LOW 43'3" BEAM 24'6" DRAFT 34" DISPLACEMENT 12500# SAIL AREA 1079 sq.ft.

TRI-STAR 43MC features a interior layout that compliments the sailing stability of the trimaran by putting you up where you can view and enjoy all the beautiful scenery, which is what cruising is all about. Tri-Star 43MC may also be a comfortable motor sailer as she is a stable and a fast sailing trimaran. The interior is layed out with the forward sole being lower creating it's own lounge and forward area. The galley and dinette sole is raised so that when standing in the galley and when seated at the dinette you have a panoramic view. Tri-Star 43MC is a comfortable cruise trimaran that is a custom design from Tri-Star 42. The question of having a similar interior on the 45, 49 and 50 has been asked and would seem fine and would have to be accommodated on a custom bases at present. Tri-Star 43MC a great live aboard and cruising trimaran
