

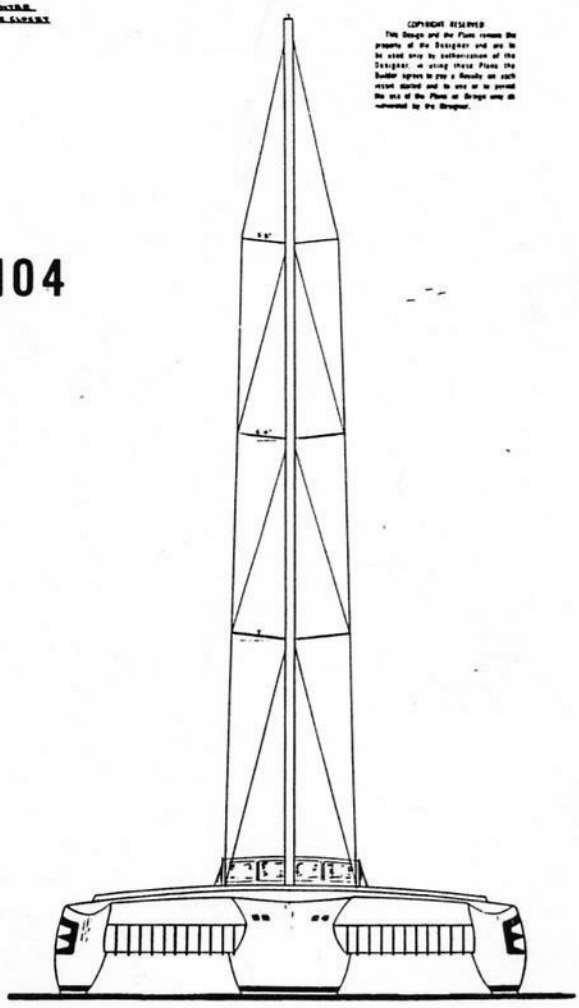
TRI-STAR 104



LOA 104' BEAM 60' DRAFT 6'3" DISPLACEMENT (PRE) 165,000# SAIL AREA 4309 sq.ft.

TRI-STAR 104 a yacht with over 7000 sq.ft.of floor space. Designed to fit an owners specification, Tri-Star 104 was never started and now she is a design waiting to be built. TRI-STAR 104 interior accommodations were designed for the owner to hold company board meetings around the world, with deluxe accommodation for the board members and family. TRI-STAR 104 was designed with constant radius hull lines the same as seen in the TRI-STAR 80 photographs, giving her a large spacious interior for owner or chartering, plus great sailing performance.
