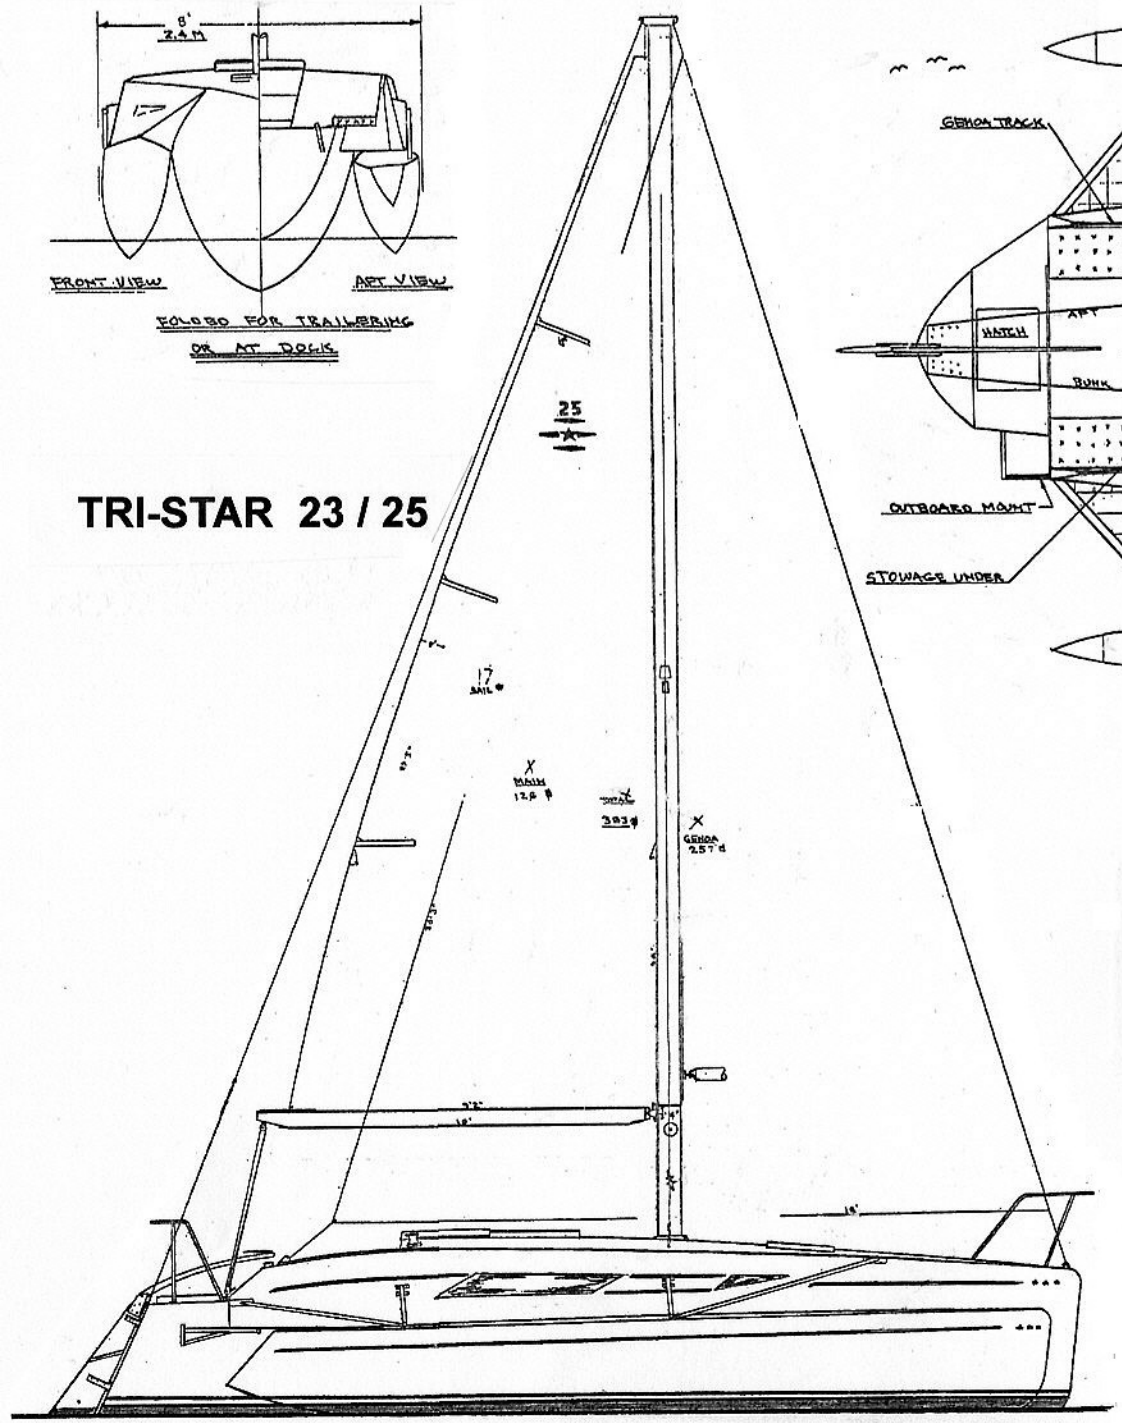
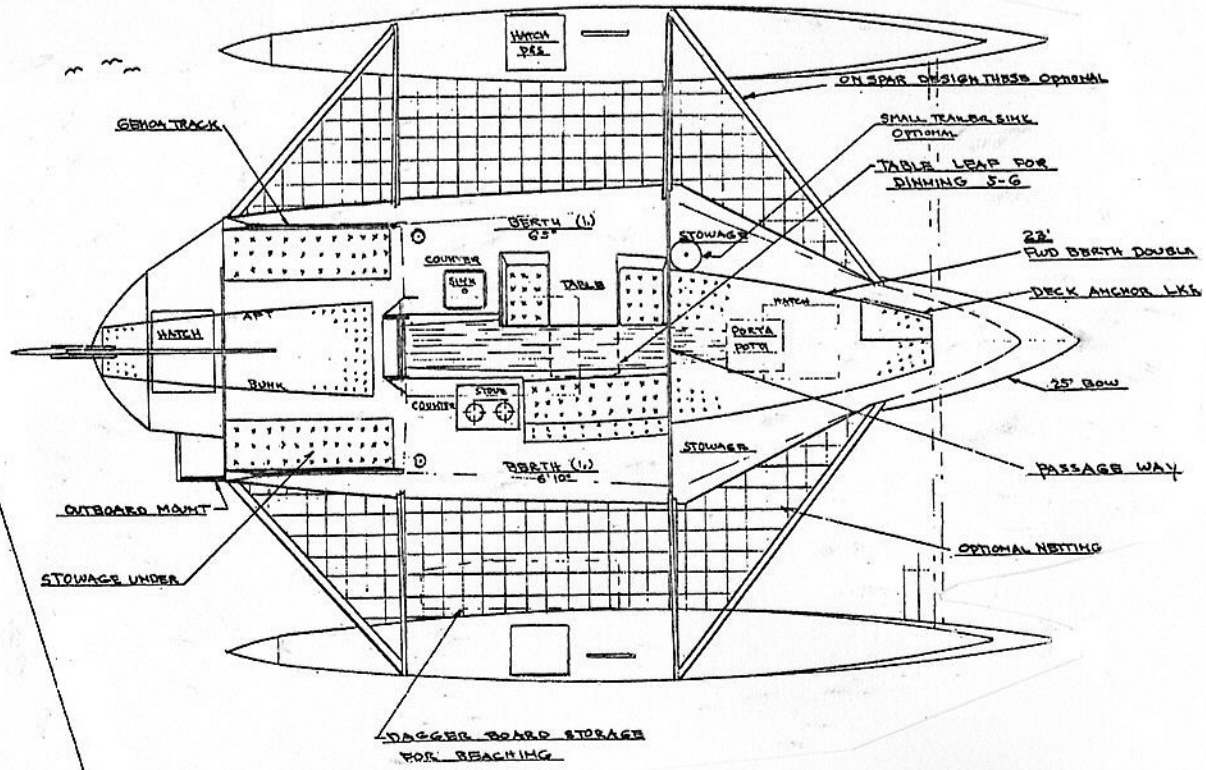
TRI-STAR 23 / 25





TRI-STAR 23/25 is a swing wing, trailerable Trimaran that started as a 23 footer Trimaran and for more room fwd may be build as a TRI-STAR 25 which is easily trailerable by one person with both interior and exterior accommodations and with sailing performance. TRI-STAR 23/ 25 galley is laid out the same height as the bunks and with a large hatch over the galley you have standup head room, fitted with a boom tent you have enclosed cover. The 25 can sleep 5. TRI-STAR 23/25 may be build either with Molded plywood or Foam fiberglass sandwich construction. TRI-STAR 23/ 25 is an enjoyable, comfortable sailing trimaran.
