TRI-STAR 49 with her functional smooth flowing lines, her spacious accommodations are part of the beauty and room to be found in the unitized construction of TRI-STAR.

Her spaciousness starts with the aft double stateroom which has a 3'3" long sole, forward the large 6' cockpit (optional open or enclosed) into the modern convenient and spacious 13'3" long galley and lounge which has a panoramic view for dining and also affords the privacy for the two double outer staterooms in the AMA's. Forward of the lounge is found 4' of spacious private shower and a double athwart ship berth. The private forward compartment may be a double or 2 single berths or have a head, shower and hanging lockers fwd. - not shown above.

The interior, spacious lounge and 5 separate staterooms, that have 6'1" to 6'4" and more head room in all compartments, the spacious deck lounge and large uncluttered deckspace are some of the many outstanding features found in all TRI-STAR TRIMARANS.

TRI-STAR 49 has been one of TRI-STAR's best accepted designs and her sister ship TRI-STAR 45 has been equally well accepted. The many that enjoy her overall performance and livable interior accommodations include cruising men, family live aboard, chartering and racing enthusiasts which lends credence to her many fine features and sea-worthiness.
